

# Fly by Night

## Rush

Airport scurry flurry faces  
Parade of passers by  
People going many places  
With a smile or just a sigh  
Waiting waiting pass the time  
Another cigarette  
Get in line - gate thirty-nine  
The time is not here yet (end)Why try? I know why  
The feeling inside me says it's time I was gone  
Clear head, new life ahead  
I want to be king now not just one more pawnFly by night, away from here  
Change my life again  
Fly by night goodbye my dear  
My ship isn't coming and I just can't pretendMoon rise, thoughtful eyes  
Staring back at me from the window beside  
No fright or hindsight  
Leaving behind that empty feeling insideStart a new chapter  
Find what I'm after  
It's changing every day  
The change of a season  
And not for good reasonsTo want to get awayQuiet and pensive  
My thoughts apprehensive  
The hours drift away  
Leaving my homeland  
Playing a lone hand  
My life begins today
