# Show Me

## My Fair Lady

Freddie: Speak, and the world is full of singing
And I am winging higher than the birds
Touch and my heart begins to crumble
The heaven's tumble
Darling, and I'm.. (interrupted by Eliza)Eliza: Words, words, words!
I'm so sick of words
I get words all day through
First from him, now from you
Is that all you blighters can do?Don't talk of stars, burning above
If you're in love, show me!
Tell me no dreams, filled with desire
If you're on fire, show me!Here we are together in the middle of the night
Don't talk of spring, just hold me tight
Anyone who's ever been in love will tell you that
This is no time for a chatHaven't your lips longed for my touch?
Don't say how much, show me, show me
Don't talk of love lasting through time
Make me no undying vow
Show me now!Sing me no song, read me no rhyme
Don't waste my time, show me!
Don't talk of June, don't talk of fall
Don't talk at all!
Show me!Never do I ever want to hear another word
There isn't one, I haven't heard
Here we are together in what ought to be a dream
Say one more word and I'll screamHaven't your arms, hungered for mine?
Please don't "expline", show me, show me!
Don't wait until wrinkles and lines
Pop out all over my brow, show me now!
