One For The Radio

Mcfly

Here's another song for the radio
Life isn't fair for the people who care
Stick your nose in the air and that's how you go far
So go tell your lovers, your fathers and brothers
Your sisters and mothers how lucky they are
Light speed, out of my mind, I'm hurt but I'll be fine
Put you fist in the air, raise your voice and declare
Singing we don't care
(We don't care)
We don't care
(We don't care)
So here's another song for the radio
And here's another line from the heart
So don't pretend you hate us and you sing along
'Cause we all look the same in the dark
L.A temptations or music sensations
There's great expectations that weigh on our heads
So here's to the liars who dream and conspire
Against the admired, we hope you drop dead
Light speed, out of my mind, I'm hurt but I'll be fine
Put you fist on your chest, raise your voice and protest
Singing we don't care
(We don't care)
We don't care
(We don't care)
So here's another song for the radio
And here's another line from the heart
So don't pretend you hate us and you sing our songs
'Cause we all look the same in the dark
We don't, we don't care
We don't, we don't care
We don't, we don't care
We don't, we don't care
Here's one for the radio
This one's for the radio
Here's one for the radio
This one's for the radio
So here's another song for the radio
And here's another line from the heart

So don't pretend you hate us as then sing our songs
'Cause we all look the same in the dark
Here's another song for the radio
(Song for the radio)
And here's another line from the heart
So don't pretend you hate us, then you sing along
'Cause we all look the same in the dark
(We're on the radio)
'Cause we all look the same
(All look the same)
We all look the same in the dark
(We're on the radio)
'Cause we all look the same
We all look the same in the dark
