

Don't Need No

Punch Brothers

Don't need no chorus cashin' candy now
Don't need no callus crush to come around
And I don't know who you are
You and your boys ain't got nothing on me
I've had my last eight drinks in here for free
Cause that's my friend tending bar

Yeah I got a friend who tends bar
And she won't let me tip her
When I get tired tonight she'll take me home
And if it's cold under the cover she'll keep me warm
Sweet lovely friend who tends bar
And lovely friends, who ten
