

With Your Love

Jefferson Starship

Don't Know what's happened to me since I met you
Feel like I'm fallen in love since I met you
I've got to know what your doin' to me with your Love
With Your Love

What Your doin' to me with your love
With Your Love

What Your doin' to me with your love
With Your Love (hold Love 4 seconds)
What your doin' babe it feels so good whatever it is.
Knew from the start it had to be you
You got my heart, I don't know what I'm gonna do...

With Your love
Heaven sent the sign, then sent you
I'm goin' out of my mind since I let you..
I've got to know what your doin' to me with your Love
With Your Love

What Your doin' to me with your love
With Your Love
What Your doin' to me with your love
With Your Love (hold Love 4 seconds)
What your doin' babe it feels so good whatever it is.
Whatever it is and whatever it's called
I know that it's you
I can't help getting involved..
With Your Love

****Instrumental Break****

Baby, Sweet Baby
Take it away
With Your Love
With Your Love
With Your Love

Whatever you did to me, well you sure did it good
My heart's filled with lovin' and I knew that it would
With your love
Don't know what's happened to me since I met you
I feel like I'm fallen in love since I met you
I've got to know what your doin' to me with your Love

With Your Love
What Your doin' to me with your love
With Your Love
What Your doin' to me with your love

(Slick, Kanter & Chaquico Background)
With Your Love (hold Love 4 seconds)
