

# Say It Loud

## Atomics

Can't help but speak of what I've seen and heard  
I understand just what the purpose is  
Uncover peace, uncover hope for all to see  
And I can't keep quiet, gotta shout it out to youGotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it outSay it loud, say it loud  
Say it loud, say it loudCome right away to find the joy I've found  
Don't hesitate to give up everything  
Discover peace, discover hope, meaning of life  
I've got to say it, gotta shout it out to youGotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it outGotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it outCan't keep it, keep it all to myself  
Can't hold it, can't hold it down  
Can't shut it, can't shut it out  
Can't keep me silent, yeahGotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it outGotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it outGotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it out  
Gotta say it loud, gotta say it loud  
Gotta say it loud, gotta shout it outSay it loud, say it loud, shout it out  
Say it loud, say it loud, shout it out  
Say it loud, say it loud, shout it out
