

# Nothing

## Depeche Mode

Sitting target, sitting waiting  
Anticipating nothing, nothingLife is full of surprises  
It advertises nothing, nothingWhat am I trying to do?  
What am I trying to say?  
I'm not trying to tell you anything  
You didn't know when you woke up todaySitting target, sitting praying  
And God is saying nothing, nothingAlways knows the prospects  
Learn to expect nothing, nothingWhat am I trying to do?  
What am I trying to say?  
I'm not trying to tell you anything  
You didn't know when you woke up todayNothing, oh no, nothing, oh no  
Nothing, oh no, nothing, oh no
