Take Me To A Higher Plane

Kate Nash

I feel worried that my brain is just a fool in your sick game
So I will never open my heart
I try to express how I feel
But it changes every day and so I'm finding it hard
Let's take life nice and easy
We could go somewhere breezy
But it gets so complicated
Everyone I fucking hated is in this room
And I need to get away
And I, I can't escape, I can't escape
And I was thinking today
That I should think about taking
My life
My life
To a higher plane
To a higher plane
To a higher plane
To a higher plane
And I need to get away
And I, I can't escape, I can't escape
And I was thinking today
That I should think about taking
My life
My life
To a higher plane
To a higher plane
To a higher plane
To a higher plane
