

# Knife Blood Nightmare

## Aiden And Stalins War

She said live young and leave a wake of beauty  
It's all I ever could have asked  
Should have asked from you  
And I won't forget to write you when I get there soon  
'Cause you'll be lying dead  
From stab wounds to the neck and chest again  
(They found you covered up in blood)  
(Covered head to toe in blood)  
Face first in a tale of awkward love  
(They found you covered up in blood)  
She's bleeding, she's bleeding  
Gone with the stitching in her heart  
Left out a silhouette that just won't heal  
And dying in your arms tonight  
This dream, we die  
(Locked away)  
This blood, this knife  
This dream, we die  
(Locked away)  
This blood and this knife  
I know it's all just a bad dream, now  
So now midnight's here, you're all alone  
They use this fear, it's all just a bad dream  
And I can't seem to wake up from this  
Midnight's here, you're all alone  
They use this fear, it's all just a bad dream  
And I can't seem to wake up from this  
In my dreams, we die  
This blood, this knife  
In my dreams, we die  
This blood, this knife  
And I know it's all just a bad dream, now  
(It's all just a bad dream, now)  
It's all just a bad dream, now  
(It's all just a bad dream, now)  
It's all just a bad dream, now  
(It's all just a bad dream, now)  
I say, this is the last time  
That I'll ever get to see your face alive

(They found you covered up in blood)  
(Covered head to toe in blood)  
And I know that every day's a new day  
And my dreams will never die  
(They found you covered up in blood)  
(Covered head to toe in blood)  
She said live young and leave a wake of beauty  
It's all I ever could have asked  
Should have asked from you  
And I won't forget to write you when I get there soon  
'Cause you'll be lying dead from dreaming  
(Nightmares)  
So now midnight's here, you're all alone  
They use this fear, it's all just a bad dream  
And I can't seem to wake up from this  
Midnight's here, you're all alone  
They use this fear, it's all just a bad dream  
And I can't seem to wake up from this  
Midnight's here, you're all alone  
They use this fear, it's all just a bad dream  
And I can't seem to wake up from this nightmare
