

C.A.U.T.I.O.N.

Operation Ivy

Caution is a word that I can't understand
see-a-you-t-I-o-n was a word I could not understand
walked the dog with a real short leash
turned around saw the dog walk me
stainless steel and painted glass
give me a pulse like a hammer
and a mind to match no relief
no food no sleep when you're king
for a day you're a whore for a week
I didn't get it then I think I got it now
caution my friend don't step in the water
'til you know you can swim
