Blood Washed Band

The Cathedrals

We're a band of Christian soldiers fighting Satan everyday
We're standing up for Jesus while we're kneeling down to pray
If His precious blood has cleansed you and washed away your sin
That makes you a member of the blood washed bandPraise God I'm a member of the blood washed band
I've been washed in the soul cleansing blood of the land
I was bound by chains of sin 'til one day the Master came
And made me a member of the blood washed bandGod's children are advancing marching 'til we reach the goal
For the battle's is almost over we'll soon be goin' home
I can hear the sound of angels as the saints go marching in
Singing praises to the Captain of the blood washed bandPraise God I'm a member of the blood washed band
I've been washed in the soul cleansing blood of the land
I was bound by chains of sin 'til one day the Master came
And made me a member of the blood washed band
Praise God I'm a member of the blood washed band
I've been washed in the soul cleansing blood of the land
I was bound by chains of sin 'til one day the Master came
And made me a member of the blood washed band
