

# When Love Is Gone

[Martina McBride](#)

There was a time when I was sure  
That you and I were truly one,  
That our future was forever  
And would never come undone,  
And we came so close to be close  
And thought you cared for me  
There's distance in your eyes tonight  
So we're not meant to be.  
The love is gone,  
The love is gone,  
The sweetest dream  
That we had ever known.  
The love is gone,  
The love is gone,  
I wish you well  
But I must leave you now alone.  
There comes a moment in your life  
Like a window, and you see  
That your future is there before you  
And how perfect life would be,  
But adventures call with unknown voices  
Pulling you away  
Be careful or you may regret  
The choices you made someday  
When love is gone,  
When love is gone,  
The sweetest dream  
That we had ever known.  
When love is gone,  
When love is gone,  
I wish you well  
But I must leave you now alone.  
It was almost love,  
It was almost always,  
It was like a fairytale we'd live out  
You and I.  
And yes some dreams come true,  
And yes some dreams go trough  
And yes the time has come

For us to say goodbye.  
Yes some dreams come true,  
And yes some dreams go trough  
Yes the time has co  
For us to say goodbye.
