Girl if you give me your loving oh
I no go regret it oh x2

Only you girl I want to serve
Only you girl I want to love
Only you baby, you deserve it yeah

Don't you push me away baby girl
I see I'm for you, right here
Only you I am wanting

Just give me 1 chance all I need is 1 chance
I don't need 2 chances oh

So I'm telling you eh don't you push me to go left
Don't you push me to go right
Baby my love is here to stay x2

Omalicha (idk this part

Omalicha I no go do you wrong
I always treat you right oh baby oh
Me and you, we travel over sea, loving you baby

Give me sugar sweet sweet sugar
Give me lovin sweet sweet lovin

I'm telling you eh don't you push me to go left
Don't you push me to go right
Baby my love is here to stay x2
