Captivated

Lady Gaga

One look and I'm done
One glance from your eyes
And I'm captivatedThe taste of your skin
The warmth of your hungry lips
Has me so taken and I
Love the way you can make me dance
From miles awayWhen I'm with you I'm so sedated
I'm captivated by youYou're just like the wind 'cuz
Everything moves away when you're around itThe sun is just like the sound of
your voice in the morning
When you light my world up and I
Love the way you can make me dance From miles awayWhen I'm with you I'm never jaded,
I'm captivatedOh,
I'll never stop believing
In this crazy love we're leading
Oh, sugar,
Hold me closer,
Make me sweeter,
I need ya,
I love youSo, please, show me that smile
Make me laugh for just a little while
Then breathe me one breath
I only need one to fill the emptinessLove the way you can make me dance
From miles away
It's been so long but now,
I've waited and I'm captivated
