

She's So High (Live In Hyde Park, London 3/7/09)

Blur

I see her face
Everyday
I see her face
It doesn't help me
I see her face
Everyday
I see her face
It doesn't help me
She's so high
She's so high
I want to crawl all over her
She's so high
She's so high
I want to crawl all over her
I think of her
Everyday
I think of her
It doesn't help me
I think of her
Everyday
I think of her
It doesn't help me
She's so high
She's so high
I want to crawl all over her
She's so high
She's so high
I want to crawl all over her
She doesn't help me
She doesn't help me
She doesn't help me
She's so high
She's so high
I want to crawl all over her
She's so high
She's so high
I want to crawl all over her
