

Checkmate

Royal Canoe

Egg white walls peeling off their skin
Oh they know just the spot I'm in
A candid summer couldn't singe this face
I'll stand in the light, sway them my wayEvan, he's a dancer
Booked him a night in The Bachelor Pad
Shelby's still a Libra
Had her reading her leaves at a function we hadAll my people
We will rise together, we will rise together
Lift your gaze up higher
Overtop the mountains
All my people
This is now or never, this is now or never
The rivers all run dry
There's wisdom in the waterDisco ball spinning on my head
A thousand stars turning gold to bread
Morning manna on the window sill
If you're picking up, I'll get the bill
Tessa made a promise
To fill every seat with her puppet show
But no one's bumping Aaron
He'll abracadabra the status quo
