

Tears Always Win

Alicia Keys

Check it out
It feels kinda crazy
These covers
May keep me warm at night
But they can't take your place
Cause they never gonna hold me tight
And these pillows
May let me rest my head
But they can't say good night
And tuck me in before I go to bed
Say now baby girl you're better off
That's what I'm telling myself (over and over)
But I'm lying to myself
Cause I know I don't want nobody else
[Chorus]
These lips are missing you
Cause these lips ain't kissing you
These eyes put up a fight
But once again these tears always win
These arms are wanting you
Cause these arms ain't holding you
These eyes put up a fight
But once again these tears always win
These candles
Light up my room at night
But they can't light the room they way you did
When you walked inside, oh baby
If these walls could sing
About everything they've witnessed
Oh it'd be a sad sad song
And it'll probably sound something like this
Say now baby girl you're better off
That's what I'm telling myself (over and over)
But I'm lying to myself
Cause I know I don't want nobody else
[Chorus]
These lips are missing you
Cause these lips ain't kissing you
These eyes put up a fight

But once again these tears always win
These arms are wanting you
Cause these arms ain't holding you
These eyes put up a fight
But once again these tears always win
Tell me when the hell this loneliness is gonna be over
When everything in this room reminds me of you
Everytime I think, I'm getting closer
Cause tears drown me out, once again I lose
These lips are missing you
These lips ain't kissing you
I put up a fight
But once again these tears always win
These arms are wanting you
These arms ain't holding you
These eyes put up a fight
But once again these tears always win
Crying like oh oh..
These eyes put up a fight
But once again these tears always win
Crying like oh oh..
These eyes put up a fight
But once again these tears always win
These eyes put up a fight
But once again these tears always win
