

Gods of War

Def Leppard

Feelin' like it's over, feelin' like there's no love
Feelin' like it's not easy, breathin' life in the dust
On a countdown to zero, take a ride on the nightmare machine
There ain't gonna be heroes
There ain't gonna be anything
Oh, here it comes, here comes the night
Here it comes, hell in the night
Here it comes, here comes the night
When we all fall down
When we walk into silence
When we shadow the sun
When we surrender to violence
Oh, then the damage is done, put away that gun
I don't want to be there
I don't want to be anywhere
Oh, here it comes, here comes the night
Here it comes, hell in the night
Here it comes, here comes the night
That's right
We're fightin' for the gods of war but what the hell we fightin' for?
We're fightin' with the gods of war but I'm a rebel
And I ain't gonna fight no more no way
On a countdown to zero
Take a ride on the nightmare machine
There ain't gonna be heroes
Whoa, there ain't gonna be anything
No
Here it comes, here comes the night
Here it comes, hell in the night
Here it comes, here comes the night
That's right
We're fightin' for the gods of war but what the hell we fightin' for?
We're fightin' with the gods of war but I'm a rebel
We're fightin' for the gods of war but what the hell we
fightin' for?
We're fightin' with the gods of war
