New Radio

Bikini Kill

This is NEW RADIO
I'm the little girl at the picnic
Who won't stop pulling her dress up
It doesn't matter whose in control now
It doesn't matter cuz this is new radioThe gaps in teeth
The dirty nails
Baby boy you can't kill what's FOR REAL
Turn that song down
Turn the static upCome here baby, let me kiss you like a boy does
Wooh Wooh Wooh Wooh Wooh Wooh
Let's wipe our cum on my parents bed
Come on
