

Helpless

Emarosa

Are you saving up your money
for the man you think you owe
you never had nobody
and I can't let you go
because I know you're mine
I know you're mine
no, no, no
if your body's broken love your heart is helpless, helpless
I know that you know
if your body's broken love your heart is helpless, helpless
you know, I know, oh
in the bed you say you love it
I know you're losing hope
you never had nobody
but you can't be too tough
and I know you're mine
I know you're mine
no, no, no
if your body's broken love your heart is helpless, helpless
I know that you know
if your body's broken love your heart is helpless, helpless
you know, I know
if your body's broken love your heart is helpless, helpless
and I know you know
if your body's broken love your heart is helpless, helpless
you know, I know
and I guess we're gonna make it after all
if your body's broken love your heart is helpless, helpless
I know that you know
if your body's broken love your heart is helpless, helpless
you know, I know
if your body's broken love your heart is helpless, helpless
you know, you know
if your body's broken love your heart is helpless, helpless
you know, I know!
