

# To Turn You On

## Roxy Music

I could show you in a word if I wanted to  
A window on a world with a lovely view  
From close up inside a single room  
With an open book aside, like you read in school  
It's so easy, believe me  
When you need fun  
I do anything to turn you on  
Anything to turn you on  
Is it raining in New York on Fifth Avenue?  
And off Broadway after dark, love the lights, don't you  
I could walk you through the park  
If you're feeling blue or whatever  
Spring, summer, whenever, winter through fall  
I'd do anything to turn you on  
Anything to turn you on  
I would leave you as you were if I wanted to  
Then I wonder, is it fair now you're on your own  
Who cares about you except me?  
God help me when things go wrong  
I do anything to turn  
You must phone me, you know me  
When things go wrong  
I do anything to turn you on
