Amazing Grace

Globus

Well they cut me down and threw me out
cause I didn't fit in with the crowd
Cause I beat the drum too slow
and out of time
And the stuff I think is not allowed
Well they cut me off from all the ways
I could give my soul the chance to feel
And the tea leaves in the wind are pointing south
as an angel comes in time to heal

Amazing grace comes to embrace
in a world filled with rage
With the love and the light of her face
Amazing grace

I'm fighting off a heavy heart
But I got no one but me to blame
And the medication tries to do its part
But It's you who puts me back in the game

Amazing grace comes to embrace
in a world filled with rage
With the love and the light of her face
Amazing grace

Well they cut me up and left me scarred
on the fringes of my sanity
But a particle of light cracks through the dark
and delivers your humanity

Amazing grace comes to embrace
in a world filled with rage
With the love and the light of her face
Amazing grace
Amazing grace
comes to embrace
in a world filled with rage
With the love and the light of her face
Amazing grace
