

# From A Distance (Christmas Version)

## Bette Midler

From a distance  
The world looks blue and green  
And the snow-capped mountains white  
From a distance  
The ocean meets the stream  
And the eagle takes to flightFrom a distance  
There is harmony  
And it echoes through the land  
And it's the voice of hope  
And it's the voice of peace  
It's the voice of every manFrom a distance  
The world sings 'Silent Night'  
Like a soft embracing psalm  
From a distance (From a distance)  
The words sound sweet and clear  
And all is bright and calmFrom a distance  
We are instruments  
Marching in a common band  
Playing songs of hope  
Playing songs of peace  
They're the songs of every manGod is watching us (God is watching)  
God is watching us (I know he's watching)  
God is watching us  
From a distanceGloria  
In excelsis deoFrom a distance  
You, you look like my friend  
Even though we are at war  
From a distance  
I just I cannot comprehend  
What all this fighting's forFrom a distance  
There is harmony  
Do you hear it echo through the land  
It's the song of joy  
It's the song of peace  
It's the heart of every man  
In the season of  
Universal love  
This is the song of every manGod is watching us (God is watching)  
God is watching us (I know he's watching)

God is watching us  
From a distanceGod is watching us (God is watching)  
God is watching us (I know he's watching)  
God is watching us  
From a distanceOh come let us adore him  
Joy to the world
