Submarine

Something for Kate

I listen to you breathe
The quiet winds that send you on your way
Away to a dream
Another time, a nothing time, a never day
I wish I could see
The oceans that your eyes will never know
I wish I could be
Somewhere in the undertowAnd you
In your sleep
Diving down to follow me
And you
In a dream...You talk in your sleep
Quiet words that spin around my head
Surrounding me
Fading down the waking world and then,
You know where I'll be
You know where I'll beAnd you
In your sleep
Diving down to follow me
And you
In a dream
A-ohhhhhh
A-ohhhhhh
