

You'll Never Be Alone

Anastacia

The world is changin' and time is spinnin' fast
It's so amazing how you came into my life
I know it seems all hope is gone
I know you feel you can't be strong
And once again the story ends with you and I And anytime you feel like you just can't go on
Just hold on to my love and you'll never be alone Hold on
We can make it through the fire
And my love
I'm forever by your side
And you know
If you should ever call my name
I'll be right there
You'll never be alone Hopeless to describe the way I feel for you
No matter how I try words would never do
I looked into your eyes to find
As long as love is alive
There ain't nothing we can't make it through Anytime, or if only for a while, don't worry
Make a wish, I'll be there to see you smile
Ooh, ohh Hold on
We can make it through the fire
And my love
I'm forever by your side
And you know
If you should ever call my name
I'll be right there
You'll never be alone Through the fire, by your side
I will be there for you so I'm, don't you worry
And you know, I'll be there
You'll never be a, alone Hold on
We can make it through the fire
And my love
I'm forever by your side
And you know
If you should ever call my name
I'll be right there
Oh baby, hold on Hold on
We can make it through the fire
We can make it baby
And my love

I'm forever by your side, yeah
And you know
You should ever call my name
I'll be right there Hold on
We can make it through the fire
My love
I'm forever by your side
And you know
You should ever call my name
