

# Sticky Wicked

Chaka Khan

Carmel coated pseudo happy  
Call her sticky wicked  
Will she answer agin' today  
Or pray that love'll kick it? Kick it love, see her little baby  
Hey girl, she don't remember your name  
Kick it love, mama gettin' busy  
Got no time for games Sticky wicked  
She just got a pair of tickets to the opera in her mind  
No applause, no encore if she dies Kick it love, visions of her childhood  
When her heart was gold  
Sticky wicked Tell me people what reason's good enough to  
Die before you're old?  
Kick it love, covenants of promise lay before your eyes  
Stick wicked will trick you, lick you, then it kicks you aside People crashing in the middle of the day  
When you wake up sticky wicked don't go away  
Sticky wicked, pretty stick wicked Hey little baby, what's your name?  
Oh ain't she cute?  
Mama got to run today I don't have time for games  
No don't worry about me, I'm alright  
I'm alright, I'm alright Carmel coated pseudo happy  
Call her sticky wicked  
People crashing in the middle of the day  
When you wake up sticky wicked don't go away If you want it, help is here today  
There's a better God, don't you wanna play? Sticky wicked, love'll kick it  
Sticky wicked, love'll kick it
