

I Feel Like Screaming

Infernal

I bet my love you
That I can't deny
That that could be such a mistake
Never crossed my mindSuch a surprise to me
You switching sides
I don't know quite how to respond
To your change of mindShould I feel guilty?
Should it console me?I feel like screaming
Oh, oh, oh
I'm hurt and I'm reeling
Can't you take away this feeling?
Stop! Why are you walking away?I don't wanna feel like screaming
Oh, oh, oh
I'm shocked and I'm reeling
Won't you take away this feeling?
Why is it then you suddenly adore?I scowl across the room
I see you smile
I can't believe that I thought
It was metro-groom
I didn't know and now I feel so vileI feel like screaming...
