Watsername

Green Day

Thought I ran into you down on the street.
Then it turned out to only be a dream.
I made a point to burn all of the photographs.
She went away and then I took a different path.
I remember the face but I can't recall the name.
Now I wonder how Watsername has been.
Seems that she disapeered without a trace.
Did she ever marry old what's his face?
I made a point to burn all of the photographs.
She went away and then I took a different path.
I remember the face but I can't recall the name.
Now I wonder how Watsename has been.
Remember,whatever,it seems like forever ago.
Remember,whatever,it seems like forever ago.
The regrets are useless.
In my mind,she's in my head.
I must confess.
The regrets are useless.
She's in my head from so long ago.
(Go,go,go)
And in the darkest night.
If my memory serves me right.
I'll never turn back time.
Forgetting you but not the time.
