Let's go, let's go, now ladies, let's go, let's go,
If you always, let's go, let's go, looking out for everybody else
Let's go, let's go, and not yo self, let's go, let's go,
Tonight is all about you, we gon party baby
C'mon, crunk that thing, c'mon [Repeat: x8]I was driving, cruising on the highway
It was a Friday, midnight, when he called me
I was thinking "Hell no!"
I already know what he want, surprise, surprise
So I changed plans and made some arrangements
I wont be chasing, someone that's replacive, and,
That's when I called my girls up,
We about to hit the clubTonight's the night (let's go)You can miss me all you want
But I'm not coming over
Cause tonight I'm doing me
I'll call you in the morning (that's right)
Hanging with my girls
Until the break of dawn
You cant tell me no
Cause I can do what I want[Chorus]
Tonight I'm having fun
Tonight I'm going out
That's right I'ma party
All night long
I'm turning off my phone
So we can get it on
Oh, oh, oh no no no noCan't stand the emails
Asking for details (where you at?)
"when are you leaving?"
"when will you get here?"

Kept calling my cellphone
I send him straight to voice mail
Leave a message
I usually call back
This time I'ma fall back
I know what the real be
You just wanna see me
Cause he wanna Tap, to tap, tap, tap, tap that, [Lil' John]
(dat boot)
But he's not gonna get that (that booty)(that booty)
If you think that its like that
Think again cause is not that [Bridge]
You can miss me all you want
But I'm not coming over
Cause tonight I'm doing me
I'll call you in the morning (that's right)
Hanging with my girls
Until the break of dawn
You cant tell me no
Cause I can do what I want [Chorus] [Ciara]
I got my hands up on my back, back
