

Rockout, Whatever You Feel Like

Cactus

Appice-Bogert-Day-McCartyThe strangest strangers are my best friends

I'll make a million more before my time ends

A foolish gambler's life goes from set to set

Please, don't judge me, darling, from what you've heard or read.Come on, baby, hold me tight

I'll do whatever you feel like

Keep on rollin' along, don't let things hold you back

I hear there's a lone train comin', rollin' down freedom's track.Well, now let's all get on and just ride to
somewhere nice

Don't be afraid to feel good, I'll offer this advice

Loosen up, child, not so tight

We're gonna do what you feel like.

The secret to havin' fun is no secret at all

You just learn to jump back up each time you fall

Each time you fall.
