Heavy Metal

Judas Priest

When the power chords come crashing down
Go tearing through my senses
It's for the strong and for the weak
In light of dark dimensionsIt stimulates regenerates it's therapeutic healing
It lifts our feet up off the ground and blasts us through the ceiling
Between the eyes I hear you screaming
And it electrifies your inner feelingsHot shock waves charge the air all the heads are banging
Fists pumping everywhere guitars are crackingHeavy metal, heavy metal
(What do you want?)
Heavy metal, heavy metal
(What do you want?)Ten thousand lights come blazing down with razor sharp precision
The speakers pour out molten steel the beat gives double vision
An amour plated raging beast that's born of steel and leather
It will survive against all odds stampeding on foreverBetween the eyes I hear you screaming
And it electrifies your inner feelingsHot shock waves charge the air all heads are banging
Fists pumping everywhere guitars are crackingHeavy metal, heavy metal
(What do you want?)
Heavy metal, heavy metal
(What do you want?)Heavy metal, heavy metal
(What do you want?)Hot shock waves charge the air all heads are banging
Fists pumping everywhere guitars are crackingHeavy metal, heavy metal
(What do you want?)
Heavy metal, heavy metal
(What do you want?)(We want)
Heavy metal, heavy metal
(What do you want?)
Heavy metal, heavy metal
(What do you want?)
