Walked Outta Heaven

Bryan Michael Cox, Jagged Edge

I'm rolling down a lonely highway
Asking God to please forgive me
For messing up the blessing He gave to me
I see everything clearer nowThe nights as black as, black as it's ever been
With out my girl I'ma lose it
And I pray that He just shed's his grace on me
I need just to be back with my babyFeels like I just walked right outta heaven
Feels like I done damn near thrown my life away, hey
I'm scared just like a child that's lost at seven
I don't know what to do, to get back right with youFeel like I just walked right outta heaven
Feel like I done damn near thrown my life away, hey yeah
Like child that's lost at seven
Don't know what to do, feels like I just walked
Right outta heavenSee my Mama told me that if it's meant to be
She'll come back and she'll forgive me
And the best thing I can do is to just let her, let her go
I know, I don't wanna do itBut if I continue to push she'll just pull away
And I know that in my heart it's a reality
I didn't treat her like she wanted to be treated
And I hope that she's not gone for good, no no noFeels like I just walked right outta heaven
Feels like I done damn near thrown my life away, hey
I'm scared just like a child that's lost at seven
And I don't know what to do, to get back right with youFeel like I just walked right outta heaven
Feel like I done damn near thrown my life away, hey yeah
Like child that's lost at seven
Don't know what to do, feels like I just walked
Right outta heavenCraving, craving
For you all the time
Suppose to move on with my life
Girl I tried and I triedFeel like I can't walk
I feel like I can't talk, girl
I don't know what to do, to get back right with you
I feel like I just walked outta heaven, babyIf you ever loved somebody
And if you ever had somebody
But you know that you hurt that somebody
Lemme hear you say, "Yeah"
Feels like I just walked right outta heavenFeels like I just walked right outta heaven
Feels like I done damn near thrown my life away, hey
I'm scared just like a child that's lost at seven

I don't know what to do, to get back right with youFeel like I just walked right outta heaven
Feel like I done damn near thrown my life away, hey
Like child that's lost at seven
Don't know what to do, feels like I just walkedFeels like I just walked right outta heaven
Feels like I done damn near thrown my life away, hey
I'm scared just like a child that's lost at seven
I don't know what to do, to get back right with youFeel like I just walked right outta heaven
Feel like I done damn near thrown my life away, hey yeah
Like child that's lost at seven
Don't know what to do
