Lets Bounce

Christy Carlson Romano

Waiting for the start of something
Before we go out of our minds
All of this doing nothing
Is taking up too much timeGotta be something better
Something more that we can do
Time to get the party started
Everybody's there tooYou've got the wheels, I've got the feels
We've got whatever it takes
She's got the groove, he's got the moves
Everybody's ready to playSo let's bounce into something new
Let's bounce 'cause we all want to
Let's shout, gonna have some fun
Everybody everyoneLet's bounce, get the party on
Let's bounce, gonna dance till dawn
Let's shout, gonna all tone down
Everybody everywhereLet's bounce babyTime for you to let your hair down
Time to bump up the shelf
Everybody is going crazy
Working just the way we plannedYou've got the style, I've got the wild
We've got the place to be
She's got the moves, he's got the groove
Everybody's ready to playSo let's bounce into something new
Let's bounce 'cause we all want to
Let's shout, gonna have some fun
Everybody everyoneLet's bounce, get the party on
Let's bounce, gonna dance till dawn
Let's shout, gonna all tone down
Everybody everywhereBig Apple to L.A.
All around the world the same
You know we've gotta make it loud
I'm ready baby, let's bounceSo let's bounce into something new
Let's bounce 'cause we all want to
Let's shout, gonna have some fun
Everybody everyoneLet's bounce, get the party on
Let's bounce, gonna dance till dawn
Let's shout, gonna all tone down
Everybody everywhereSo let's bounce
Let's bounce
Let's shout

Everybody everywhere
