

# Lets Bounce

Christy Carlson Romano

Waiting for the start of something  
Before we go out of our minds  
All of this doing nothing  
Is taking up too much timeGotta be something better  
Something more that we can do  
Time to get the party started  
Everybody's there tooYou've got the wheels, I've got the feels  
We've got whatever it takes  
She's got the groove, he's got the moves  
Everybody's ready to playSo let's bounce into something new  
Let's bounce 'cause we all want to  
Let's shout, gonna have some fun  
Everybody everyoneLet's bounce, get the party on  
Let's bounce, gonna dance till dawn  
Let's shout, gonna all tone down  
Everybody everywhereLet's bounce babyTime for you to let your hair down  
Time to bump up the shelf  
Everybody is going crazy  
Working just the way we plannedYou've got the style, I've got the wild  
We've got the place to be  
She's got the moves, he's got the groove  
Everybody's ready to playSo let's bounce into something new  
Let's bounce 'cause we all want to  
Let's shout, gonna have some fun  
Everybody everyoneLet's bounce, get the party on  
Let's bounce, gonna dance till dawn  
Let's shout, gonna all tone down  
Everybody everywhereBig Apple to L.A.  
All around the world the same  
You know we've gotta make it loud  
I'm ready baby, let's bounceSo let's bounce into something new  
Let's bounce 'cause we all want to  
Let's shout, gonna have some fun  
Everybody everyoneLet's bounce, get the party on  
Let's bounce, gonna dance till dawn  
Let's shout, gonna all tone down  
Everybody everywhereSo let's bounce  
Let's bounce  
Let's shout

Everybody everywhere
