Phone Me Tonight

Arab Strap

Phone me tonight when you're pissed. just to tell me that I'm missed.
Tell me you want me in your cunt. tell me you're not sure what you want.I tried to tell you, I made it clear. I think you make me not want you here.Phone me tomorrow when you're sober.
Just to tell me it's all over.
Tell me I'm not wanted in your bed.
Remember one thing you haven't said.I tried to tell you, I tried to say. I never wanted it to end this way.
