

Weekend

Neon Trees

I found my love, it was just last week
She really had me turnin' on
I fought for hours just to try and sleep
Tell my babe I was the only one
Dont you know how it feels
To live days and months and years
Trapped inside a wakin' dream
I betcha you and I could step out tonight and try
Make it more than just a fantasy
We are fast youth going nowhere
Burning this town like we dont care
Nothing you say could ever put out our fire
No, No
We can pretend, pretend for the weekend
We can pretend, pretend for the weekend
Outside the nights as young as us
Tonight is just the two of us
Pretend, pretend for the weekend
I found my love, it was just last week
She was smooth with her heart glasses on
I felt the fire, fire was in my feet
Lets be together now while we're still young
BabyDont you know how it feels
To live days and months and years
Trapped inside a wakin' dream
I betcha you and I could step out tonight and try
Make it more than just a fantasy
Cause we are fast youth going nowhere
Burning this town like we dont care
Nothing you say could ever put out our fire
No, NoWe can pretend, pretend for the weekend
We can pretend, pretend for the weekend
Outside the nights as young as us
Tonight is just the two of us
Pretend, pretend for the weekend
We are the ones that put on a show,
I am the one that never let go
Im never alone when Im around you
Nobody knows me like you

Nobody knows me like you
We got alot to get through
Nobody knows me like you
Outside the nights as young as us
Tonight is just the two of us
Pretend, pretend for the weekend
