

Smiling

If Robin Dies

(bill luther, aimee mayo, chris lindsey, marv green)

The cover of a magazine, nothing but a paper dream

Just another fantasy for sale

Telling me what I need, what I should do, who I should be

That stuff don't matter to me at all

The sky is blue and the sun is shining

I feel like a bum with a pocket full of diamonds

I'm free as a bird and my spirit's flying

That's enough to keep me smiling

Guru man on my tv set, selling the secrets to happiness

1-800-change-your-life-today

Dreams, I've got my own; I ain't looking for a yellow-brick-road

I'm just gonna go my own way

The sky is blue and the sun is shining

I feel like a bum with a pocket full of diamonds

I'm free as a bird and my spirit's flying

That's enough to keep me smiling

Smiling (smiling), smiling (smiling)

The sky is blue and the sun is shining

I feel like a bum with a pocket full of diamonds

I'm free as a bird and my spirit's flying

That's enough to keep me smiling

I'm still smiling, gotta keep on smiling

I'm still smiling
