Green Eyes, Red Hair

Gaelic Storm

Devils inside her
The devils inside her
Green eyes, red hair, long legs
Devil inside her
Green eyes, red hair, long legs
Devil inside her
Shes a cup of tea, shes a Jaegerbomb
Shes an angel, shes an Amazon
Shes a poem, shes an alphabet
Shes a violin with a bayonet
Shes a revolution, shes a peace accord
Shes a grain of sand, shes the Cliffs of Moher
Shes Friday night, shes Sunday Morning
Shes a fair wind, shes a sailors warning
Green eyes, red hair, long legs
Devil inside her
Green eyes, red hair, long legs
Shes got the devil inside her
Shes a glass house, shes an ivory tower
Shes a tin roof, shes a summer shower
Shes a carnival, shes a masquerade
Shes a picket fence, shes lemonade
Green eyes, red hair, long legs
Devil inside her
Green eyes, red hair, long legs
Devil inside her
Green eyes, red hair, long legs
Devil inside her
Green eyes, red hair, long legs
Shes got the devil inside her
She can disappear, she can walk on water
Shes the Queen of Sheba, shes the farmers daughter
Shes a cocktail dress, a cowboy boot
Shes a question mark, shes absolute
Green eyes, red hair, long legs
Devil inside her
Green eyes, red hair, long legs
Devil inside her
Green eyes, red hair, long legs

Devil inside her
Green eyes, red hair, long legs
Shes got the devil inside her
Shes got the devil inside her (repeat)
