

# Something Right

## Westlife

Never thought that I'd be so inspired  
Never thought that I would find a higher truth  
I believed that love was overrated  
Til the moment I found you Now, baby, I know I don't deserve  
The love you give me  
But now I understand that If you want me I must be doing something right  
I got nothing left to prove and it's all because of you  
So if you need me and, baby, I make you feel alive  
I know I must be doing, doing something right It's because of you I feel so lifted  
I've been looking at my life from higher ground  
Never thought that I'd be so elated  
You're the one who turned it all around Now baby, I didn't know myself  
Until you changed me  
And made me understand that If you want me I must be doing something right  
I got nothing left to prove and it's all because of you  
So if you need me and, baby, I make you feel alive  
I know I must be doing, doing something right And, baby, I know I don't deserve  
The love you give me  
But I don't really care cause If you want me I must be doing something right  
I got nothing left to prove and it's all because of you  
So if you need me and, baby, I make you feel alive  
I know I must be doing, doing something right  
Doing something right, something right So if you need me and, baby, I make you feel alive  
I know I must be doing  
I know I must be doing something right  
Yeah, yeah, something right
