Linda

Anna Aaron

Ever since you passed your bleeding thought on mine
You said we would be together till we die
I ask why would you still leave me behind
And you told me you would watch me from the skyOh, you said you and me,
We stay up every night
Laugh until the morning.
I give away my heart
As if I could afford it,
Don't ever leave me
Don't ever leave me
Don't ever leave me
Don't ever leave meSo you went away and it was so unkind
Crying, ain't no way for a girl to spend her time
Sometimes I still feel I would loose my time
But then I think of how you ask me to tryOh, you said you and me,
We stay up every night
Laugh until the morning.
I give away my heart
As if I could afford it,
Don't ever leave me
Don't ever leave me
