

Stick to Your Guns

Mattley Crâne

Get a grip on yourself,
get in shape for tonight

take a look at yourself or your dreams
you're losing sight
it just ain't right, it just ain't right

hey man, look at me, i'm screaming
what's right for you, ain't right for everyone
you gotta stick to your guns
what's right for you, ain't right for everyone
ain't right for everyone

too much too soon, too much for you
everyday has a hero, don't it though
don't let it go
you got to fight, it just ain't right,
hey man look at me, i'm screaming
are you watching me bleed, are you believing

you got to stick to your guns,
what's right for you, ain't right for everyone
ain't right for evryone
you got to stick to your guns
what's right for you ain't right for everyone
ain't right for everyone

hey man, look at me, i'm sreaming
are you watching me bleed, are you believing
you got to stick to your guns
what's right for ain't right for everyone
ain't right for evryone
you got to stick to your guns
what's right for ain't right for everyone
ain't right for everyone
come along
