Cannot Contain This (Tom Neville vocal mix)

Moloko

Don't put yourself down
Don't be hard on yourself
You didn't do wrong, baby
Don't blame yourselfI know how you feel
I've been there myself
It's what the devil my fare
What do you care
Can you control yourself?I won't stick around
To watch you get colder
I know I couldn't be told
Don't suppose
Now I'm a little olderThe fault was all mine
I don't blame you if you blame me
I know I was wrong
I just cannot contain thisI just cannot, just cannot contain this
I just cannot, just cannot contain this
I just cannot, just cannot contain this
I just cannot, just cannot contain thisJust cannot contain this
Just cannot contain this
I just cannot contain this
Just cannot contain this
I just cannot contain thisAnd if it's a crime
Then can you explain to me
Where do I belong
I just cannot contain thisCannot contain this
Just cannot contain this
I just cannot contain this
I just cannot contain thisI just cannot, just cannot contain this
I just cannot, just cannot contain this
I just cannot, just cannot contain this
I just cannot, just cannot contain thisI just cannot contain this
Just cannot contain this
I just cannot contain this
Just cannot contain this
I just cannot contain thisCannot contain this
Just cannotJust cannot, I just cannot
Just cannot, I just cannot
Just cannot contain this

Just cannot contain this
