Darlin

Ancient Warfare

Darlin'
I miss you so bad.
Your the best thing,
I ever did have

Who will be there,
To close my eyes,
When I die,
Up inside.

Completely die,
Up inside.

May not miss me,
When I'm gone.
You may recall,
Our love was strong.

So strong,
As bones.

As our bones.

As bones.

As bones.

And our soul (?)

Who will be there,
To close our eyes,
When we die,
Up inside.

When we die,
When we die,
Up inside.
Up inside.
Up inside.
