

# Tip Of My Tongue (Acoustic)

## Diesel

Tonights the night I'm gonna make my true Confession  
I got my courage up there's nothing That can keep me down now  
my words Get tangled up in good intentions  
but I know What my heart wants to say I've got to Let you know for worse or for better  
there's A hundred ways that i could show you But it wouldn't matter  
it's time to tell you And I'll try to keep it simple  
I know what You want to hear  
why do I forget every time you Get nearright on the tip of my tongue  
right on the tip of my tongue  
right on the tip of my tongue  
on the tip of my tongue look in my eyes and Tell me what do you see  
there's a message That I'm sending and I hope you recieve  
my Words get tangled up in good intentions  
you'll Know what my heart wants to say  
you'll Know what my heart's trying to say right on the tip of my tongue  
right on the tip of my tongue  
right on the tip of my tongue  
three Little words that I want to say  
you'll never Know if you walk away I know what You want to hear  
why do I forget every time you Get nearright on the tip of my tongue  
right on the tip of my tongue  
right on the tip of my tongue  
three Little words that I want to say  
you'll never Know if you walk away
