Sober

Dylan Matthew

[Verse 1]
I wish, you were sober
So I could tell you, how I feel
Been thinkin it over
And I think, this is somethin' real
I know, we got issues
Everyone does girl
And ours might be worse but
What don't kill us makes us stronger
Or maybe I'll die here
Embraced in your perfume
What a way to die
Please write these lyrics on my tomb

[Pre-Chorus]
And you can say I care too much
But then why do you crave my touch

[Chorus]
I wish you were sober
I wish you were sober
I wish you were sober
I wish you were sober

[Verse 2]
I wish, you were here, babe
So I could show you, what I mean
These feelings inside me
They make me feel stuck in between
I can't control it
I think that I'm falling
We both have trust issues
But I think that we can solve 'em
I hate when you pop x
You hate when I blow os
I wanna protect you
Please don't come with white on your nose

[Pre-Chorus]
And you can say I care too much

But then why do you crave my touch

[Chorus]
I wish you were sober
I wish you were sober
I wish you were sober
I wish you were sober

[Bridge]
I wish, you were sober
So I could tell you, how I feel
Been thinkin it over
And I think, this is somethin' real

[Chorus]
I wish you were sober
I wish you were sober
I wish you were sober
I wish you were sober

[Outro]
I wish you were sober
