

# My Friend, My Friend

**Matt Monro**

My friend, my friend, if you could only see me  
I'm lost amid the music and the wine  
I only know I love you although the memory of you  
Is all I have to warm this heart of mine  
My tender friend, I cry for all I owe you  
My tears will never wash away the debt  
Too late say forgive and every day I live  
Will fill my cup with bittersweet regret  
The dawn will soon be here, the sun will kiss the sky  
But will the pain have ended then  
And still I can't believe it, I never will believe it  
Your lips and mine will never meet again  
My friend, my sweet forsaken love, forgive me  
I never knew how bitter life would be  
And if you could have known how sad I'd be alone  
You'd reach across the stars and cry for me  
And if you could have known how sad I'd be alone  
You'd reach across the stars and cry for me
