

# Chick-a-Boom

Joe Bataan

Boom boom, chick-a-boom boom boom  
Chick-a-boom, chick-a-boom boom boom This is a holdup, everybody on the ground  
Put your hands behind your head, don't make a sound  
This old system been keeping us down, down, down  
Now me and my friends think it's time to turn this mess around We all know this ain't what you expected  
We know this must come as a surprise  
Imagine how it feels to be rejected, scorned and scoffed at  
Imagine how it feels to be despised Boom boom, chick-a-boom boom boom  
Chick-a-boom, chick-a-boom boom boom Too much money in too few hands  
We'll be on our way once you meet our small demands  
So come on, people, do as I say  
You may just live to see a better day  
Everybody on the ground  
We're gonna pass this bag around  
Fill it up with what you got  
Fill it up with what you got Boom boom, chick-a-boom boom boom  
Chick-a-boom, chick-a-boom boom boom Too much money in too few hands  
We'll be on our way once you meet our small demands Here's my people, respect us as equal  
Fewer excuses, we don't need to prove it  
You'll find out what we've known all along  
By trying to keep us down, you've made us strong Boom boom, chick-a-boom boom boom  
Chick-a-boom, chick-a-boom boom boom This is a holdup, everybody on the ground  
Put your hands behind your head, don't make a sound  
Come on, people, do as I say  
You may just get to see a better day  
Everybody on the ground  
We're gonna pass this bag around  
Fill it up with what you got  
Fill it up with what you got
