Trip Through Your Wires

U2

In the distance, she saw me comin' 'round
I was calling out
I was calling outStill shakin', still in pain
You put me back together again
I was cold, and you clothed me, honey
I was down and you lifted me, honeyAngel
Angel or devil
I was thirsty
And you wet my lipsYou, I'm waiting for you
You, you set my desire
I trip through your wires, yeahI was broken, bent out of shape
I was naked in the clothes you made
Lips were dry, throat like rust
You gave me shelter from the heat and the dust
No more water in the well, no more water, waterAngel,
Angel or devil
I was thirsty
And you wet my lipsYou, I'm waiting for you
You, you set my desire
I trip through your wires, yeahI need, I need
I need, I need it
I need, I need
All I need, yeah, yeahThunder, thunder on the mountain
There's a rain cloud in the desert sky
In the distance, she saw me coming 'round
I was calling out
I was calling out
