

Ronnie & Mags

Nofx

Gonna send those welfare bombs right back to work

Gonna start a war before 84

Start a dirty war in El Salvador

Gonna start a war before 84

Gonna back the contras and apartheid

Gonna start a war before 84

Then I'll win the election by a landslide

Ronnie and Mags, Maggie and Ron

Let's get together build a neutron bomb

(Ronnie and Mags)

Maggie and Ron, Ronnie and Mags

Let's go to Grenada and glorify our flags

Could a private Dodge shut down some mines

Gonna start a war before 84

[?]Gonna start a war before 84

Feed a slice of cake to Bobby Sands

Gonna start a war before 84

Spend a holiday in the Falklands

(Maggie and Ron)

Ronnie and Mags, Maggie and Ron

Gonna get the hostages from Iran

(Ronnie and Mags)

Maggie and Ron, Ronnie and Mags

Let's go to Grenada and the Falklands

Don't stop

Ronnie and Mags, Denis and Mags

We know exactly who is wearing the pants

(Maggie and Ron)

Denis and Mags, Maggie and Ron

Let's have a force and build a neutron bomb
