

# Salvation

Gabrielle Aplin

You are my avalanche, one world away  
My make believing, while I was wide awake  
Just a trick of light to be bring me around again  
Those wild eyes  
A psychedelic silhouette I never meant to fall for you but  
I was buried underneath it all and all that I could see was white My salvation, my my  
My salvation, my my You are the snowstorm, I'm purified  
The darkest fairytale in the dead of light  
Let the band play out as I'm making my way home again  
Glorious we transcend  
Into a psychedelic silhouette I never meant to fall for you but  
I was buried underneath it all and all that I could see was white My salvation, my my  
My salvation, my my
